Weather Forecast: According to the Farmer’s Almanac, the 2017/18 season will be cooler than normal, with rainfall above normal in the north and near normal in the south. The coldest periods will occur from late November into early December and in early February. Mountain snows will be above normal, with the stormiest periods in early to mid-November and early and late January. So, if you like to partake in winter sports, it looks like it will be another great season. I hope that Mother Nature does not give us a large dose of snow as we had earlier this year.

Status of carports: QM began repairing the damaged carports the week of September 25, 2017 and anticipate about 3 weeks of work (weather permitting). During this time, we do not anticipate that any of the units will be “down”, however, some of the carports may be temporarily unavailable.

New Trail Coming: For those of you who have units during the Spring, Summer or Fall, you will be happy to hear construction of a biking and walking path from Incline Village to Sand Harbor State Park has begun along State Route 28.

Construction of the three-mile-long path started last year and is slated to be completed in 2018. The path will help improve safety along a congested corridor of SR-28 which, during peak days of the summer season, can see up to 2,000 pedestrians and cyclists on the roadway. Crews will be installing the retaining walls and preparing the 10-foot-wide path for paving, which will likely come next year. They will also be working on building additional parking lots to provide access to the trail and reduce the amount of cars parked along SR-28.

Beginning May 1, single lane closures will take place on State Route 28 south of Incline Village as the Nevada Department of Transportation launches the second season of shared-use path construction and highway safety, accessibility and water quality enhancements.

Nighttime single lane closures are planned between Hidden Beach to three miles south of Sand Harbor State Park for construction of water quality and traffic safety improvements. Most of the lane closures will take place Sunday night through Friday at noon, although weekend closures may occur during off-peak season. Motorists should anticipate 20 to 30-minute travel delays. I am excited to have a new trail for running along the Lake! More information and a 5-minute video with artist renderings are posted online at <https://www.nevadadot.com/projects-programs/road-projects/sr-28>

Bears: Bears seem to be very active this year. If you are walking or hiking in the area, please keep an eye out. I follow the Incline Village Facebook Page and for the past few weeks there have been almost daily postings of bears in the area. Be cautious and careful.

Club QM: Just a reminder that you may receive marketing calls from QM Corporation regarding their Club QM offerings. It is up to you to decide whether or not buying into Club QM is advantageous to you.

Ads in Newsletter: If you are unable to use your week, don’t forget you can advertise in our quarterly newsletters to rent (or swap) your week. To place an “ad” in the newsletter, contact Sophia Terry (sophia.terry@qmcorp.com or 775-355-4040 Ext.3802).

Key Cards: When you check out, please remember to return your key cards (room keys) to the slotted box in the check-in office. This way, we are able to reuse/re-key the cards which saves money (and helps keep annual maintenance dues low).

Association Owned Weeks: There still are some Association-owned weeks recovered from foreclosures on which we do not collect annual maintenance fees. Obviously the more units we sell, the more income is generated to maintain our units, thereby keeping our annual maintenance fee very affordable compared to other timeshares. So, if you know someone who may be interested in purchasing a week, please have them contact QM (1-800-788-4297 or info@qmcorp.com) about pricing and availability.

Aerobeds: If you are in the need of an Aerobed (portable, blow-up mattress), please make sure to let QM know when you confirm your reservation and they can ensure the Aerobed is in your unit when you arrive. If you forget, you can advise them upon check-in, but it will delay you receiving a mattress.

Bonus Time: "Bonus Time" is still available. You can submit a request for 'Bonus Time' via the website by clicking on the "Reservations" link in the upper right. Nightly Rate: \$100 (Three night minimum) - Weekly Rate: \$500 - - Reservations can be made 60 days or less prior to arrival.

Website: The Tahoe Chaparral website (<http://www.tahoechaparral.com>) contains a variety of useful information (Use Week Calendar, Bonus Time, Newsletter, Local Activity Guide, Special Events Calendar, etc.) and videos of Tahoe Chaparral and Diamond Peak. If there is anything you would like to see added to the website, please let us know.

E-mail Addresses: It is more efficient and cost effective to communicate with owners via e-mail instead of hardcopy mailing. If you have an e-mail account, please let us know so we can add you to our e-mail distribution list. To be added to the list, please provide your e-mail address to Sophia Terry (sophia.terry@qmcorp.com).

Board Meetings: As a reminder, the Board meets four times a year and our meetings are open for owners to attend and observe. All meetings are held at QM Resorts, 515 Nichols Blvd Sparks, NV 89431 and start at 9:00 a.m. If you have any concerns, comments or questions, please contact me or one of the other Board members. The next Board meeting is October 21, 2017 followed by the Annual Owner's Meeting. On behalf of the entire Tahoe Chaparral Resort Owners Association Board Members, I'd like to encourage you to attend the Annual Owner's Meeting on Saturday, October 21, 2017 at the Thunderbird Resort 200 Nichols Blvd, Sparks, NV 89431.

Respectfully,

Craig Rader, President, TCROA

2017 Annual Member Meeting

The annual owner's meeting will be held on Saturday, October 21st from 11:00 am to 12:00 pm at the Thunderbird Resort Recreation Center, 200 Nichols Blvd, Sparks, NV. Please join us for a luncheon after the meeting.

Tahoe Chaparral Maintenance Fee and Collection Policy

- ✓ The maintenance fee is considered delinquent if not received in our office by the due date listed on your billing statement.
- ✓ Not receiving a statement is NO reason to not pay the maintenance fee.
- ✓ If you have a question regarding your billing or account, please contact the Accounting Office at (800) 788-4297.
- ✓ Per the Owner's Association policies, you do not have use of your unit until the maintenance fee and any late fees are paid for the current year. This includes occupying, renting or exchanging.
- ✓ If you have a change of address, email or telephone number, please contact our office immediately as it is very important that our records are current.
